

Dear Kindergarten Families,

Attached you will find our Kindergarten Reading Strategies. These strategies will help your child when they get stuck on a “tricky” word. We use these strategies in the classroom, and we would like your child to practice using them at home as well! Simply save the image, and allow your child to use it as a tool while they are reading! If you have any questions regarding the reading strategies, please reach out to your child’s teacher. Thank you for your continued support!

# Kindergarten Reading Strategies

**Look**

Look for clues in the pictures.

**Sound**

Get your mouth ready and say the sound of this letter.

**Reread**

Try that again.

**Slide**

Say the first part, say more...  
Slide all the way through the word.

**Chunk**

Break the word into chunks.

**Look!**

Does it look right?

**Listen!**

Does it sound right?

**Think!**

Does it make sense?
